topic wise bank po clerk prelim mains solved papers reasoning consists of past solved papers of bank exams ibps po ibps clerk sbi po sbi clerk and specialist officer from 2010 to 2016 the coverage of the papers has been kept recent 2010 to 2016 as they actually reflect the changed pattern of the banking exams thus the papers prior to 2010 have not been included in the book in all there are 30 question papers from 2010 to 2016 which have been provided topic wise along with detailed solutions practicing these questions aspirants will come to know about the pattern and toughness of the questions asked in the examination in the end this book will make the aspirants competent enough to crack the uncertainty of success in the entrance examination the strength of the book lies in the originality of its question papers and errorless solutions the solution of each and every question is provided in detail step by step so as to provide 100 concept clarity to the students

the public outcry for a return to moral education in our schools has raised more dust than it s dispelled building upon his provocative ideas in on becoming responsible michael pritchard clears the air with a sensible plan for promoting our children s moral education through the teaching of reasonableness pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community in such an environment children learn to work together to listen to one another to build on one another s ideas to probe assumptions and different perspectives and ultimately to think for themselves advocating approaches to moral

education that avoid mindless indoctrination and timid relativism pritchard neither preaches nor hides behind abstractions he makes liberal use of actual classroom dialogues to illustrate children s remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truthtelling lying making and keeping promises obedience character and responsibility he also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers the result is a rich and insightful work that provides real hope for the future of our children and their moral education
